Balance hedgehogs

ABOUT THE EQUIPMENT : bumpy surface, air filled
semi circles

WHERE FROM & COST : Rompa £80 for set of 6

IDEAS OF USE:

- Place on the floor and allow the child to walk over the hedgehogs
- Let the child run their hands over the hedgehogs to gain tactile input

SAFETY MEASURES

- If child is walking over provide physical support to reduce risk of child falling over and causing injury
- There is a valve, therefore regular checks to ensure this is in place as can be a choking hazard
- Don't over fill the hedgehogs as this could cause them to burst
