

Lower Key Stage 2 Spring1 Newsletter

Happy New Year, we hope you all had a good break!

Our theme for this Half Term is “To Infinity and Beyond” and we will be exploring this through knowledge, skills and understanding of the world and expressive arts. We will be learning about the movement of the sun and moon in relation to the earth (day and night). We will also be exploring 3D sculpture to make a model of the solar system.

In **Literacy** this Half term we will be focussing on stories set in imaginary worlds, our text will be “Aliens Love Underpants”. We will also be looking at instructions. In our lessons we will be thinking about creating our own imaginary worlds and designing a class alien. We will also be exploring following and writing instructions.

In **Maths** this half term the children will continue to develop their number skills through songs, games, challenges and written tasks. We will be exploring number and place value, multiplication and division (sharing) and data (sorting).

Swimming, outdoor learning and P.E: Each class will let you know when your PE and outdoor learning days are and if your child is swimming this half term

Please send a named pair of pumps (or full PE kit if you prefer) if you not already done until it is safe to get changed into full PE kit. For outdoor learning could you please make sure your child has a pair of labelled wellies in school.

Please don't hesitate in contacting us if you have any queries.

Happy New Year
