

## River Stones

**ABOUT THE EQUIPMENT:** The River Stones Balancing Toy helps children advance their coordination skills. The River Stones are inspired by stepping stones in a river with each side of the triangle varying in steepness and difficulty. The purpose is to jump from stone to stone without touching the floor.

**WHERE FROM & COST:**

**HOW TO USE:** You can vary the position of the stones to create more challenging paths for children. These are good for children that love height and those that have gravitational insecurity by providing vestibular input in a less daunting and fun way.

**SAFE USAGE:**

- Use under supervision
- Potential trip hazard, have soft surface to land
