Weighted Cap

ABOUT THE EQUIPMENT : Weighted denim cap with weight placed around the rim of the cap making it comfortable and effective. Designed to calm, the weighted cap weighs 270 grams. Great for sensory input, help for those who have a need of downward pressure and to reduce tiptoe walking and looks like an ordinary cap. The cap is fully adjustable and will fit a child from 5 years old right up to adult.

WHERE FROM & COST: www.sensorydirect.com,
£28.75

IDEAS OF USE: This item will need assessment by Occupational Therapist before loan, advice will be given by them for safe and effective use.

SAFE USAGE:

- Always use under supervision
- Do not wear for long periods of time as this can lead to under-responsiveness
- Always seek professional advice before purchasing or using weighted items
