Wobble cushion

ABOUT THE EQUIPMENT : a seating cushion which can be used on multiple seating to improve posture and core stability

WHERE FROM & COST: sensory direct £16

IDEAS OF USE:

- Place the cushion on the chair and encourage the child to sit on it
- Let the child hold the cushion on their lap to feel the bumps

SAFETY MEASURES

- Ensure that the cushion is inflated to the correct measurements
- Check the weight limit suits the child
- Place the cushion at the back of the chair with the anti slip side down on the chair to reduce risk of slipping
