Zuma Task Chair

ABOUT THE EQUIPMENT:

This chair has the same seat structure as the Zuma Rocker but doesn't just rock forward and back. This chair is on casters and has an essential spring system that allows the user to rock in various directions, and comes in two sizes.

WHERE FROM & COST:

From: www.southpaw.co.uk

Cost: £202.00

IDEAS OF USE: The Zuma task chair allows the user to maintain movement whilst learning, helping them stay alert and pay attention, in a safe and non-disruptive way. This chair could be used at a desk to complete schoolwork, reading, working on a handheld or laptop device and for group learning. Some children may benefit from the motion of the rocker helping them to sensory regulate their alertness levels and feel calm.

SAFE USAGE:

- Use under supervision.
- Falls risk when climbing on the chair as it rotates and rocks, with no arm restrictions/ support, so only sit on the chair.
- Use on a flat, stable and spacious surface, free from objects.
- Ensure the child does not tilt too far back on the chair and the casters always remain on the floor.
- Ensure the user has suitable postural abilities to maintain an upright position and does not require supporting arms.
- Do not exceed the maximum working Load: 110kg
