Newsletter 03/02/2025

Message from Mr Francis

In January we reviewed our school Vision, Mission and Aims to reflect how the school has changed.

We have had visits from our external school improvement partner, and the positive behaviour team, and we will be using all this information to inform our development plan to ensure we meet new challenges and make our school even better

FORT ROYAL FLYER

Newsletter 03/02/2025

Dates for your Diary.

6TH FEBRUARY - SENSORY SESSION
WORKSHOP

Our Target attendance is 94%

Last week our attendance was:
93 %

CHILDREN'S DENTAL CARE TIPS FOR PATIENTS

1. VISIT A DENTIST REGULARLY

- CHILDREN SHOULD VISIT A DENTIST FROM BIRTH
- CHILDREN SHOULD BE SEEN REGULARLY AT INTERVALS OF BETWEEN 3 AND 12 MONTHS
- ASK YOUR DENTIST ABOUT FLUORIDE VARNISH
- YOUNG PEOPLE AND ADULTS SHOULD BE SEEN AT REGULAR INTERVALS AS DETERMINED BY THEIR DENTIST
- FOR HELP IN ACCESSING AN NHS DENTIST FOR ROUTINE OR EMERGENCY CARE, VISIT THE NHS CHOICES WEBSITE

2. ENCOURAGE HEALTHY EATING AND DRINKING

- KEEP ALL FOODS AND DRINKS CONTAINING SUGAR TO MEAL TIMES
- SNACK ON FRUIT AND/OR VEGETABLES BETWEEN MEALS
- DRINK ONLY MILK AND WATER BETWEEN MEALS, KEEP OTHER DRINKS TO MEAL TIMES.

3. ENCOURAGE REGULAR TOOTHBRUSHING

- BRUSH TWICE A DAY INCLUDING LAST THING AT NIGHT
- USE A SMEAR (UNDER 3 YEARS) OR A PEA-SIZED (OVER 3 YEARS) AMOUNT OF FAMILY FLUORIDE TOOTHPASTE.
- SUPERVISE BRUSHING UNTIL AT LEAST 7 YEARS OF AGE
- SPIT DON'T RINSE AFTER BRUSHING

4. ENCOURAGE THE PROMOTION OF A HEALTHIER LIFESTYLE

Lunar New Year

Friends of Fort Royal

The Friends of Fort Royal have lots of fun activities planned for our kids over the next few weeks and as always, we need your help to make them all a success. It's Mental Health Week this week and thanks to our previous fundraising efforts throughout the year, we've donated plant pots and seeds to all classes, reflecting the theme of 'Know yourself, to grow yourself'.

Thanks to such a successful year of fundraising in 2024 we have also been able to donate money towards each class in school to help them purchase a range of small sensory items for everyone to enjoy.

February 14th is going to be our 'Wear What You Love' day. Come in clothes you love and give a donation to Friends of Fort Royal to keep our events and activities happening throughout the year.

Our Easter disco is planned for April 4th in school, and we'll be releasing more details, along with ticket info soon, so keep an eye out and grab your family tickets for the event.

We are also planning a visit from the Easter Bunny along with an Easter Egg hunt at school (during the school day) which all classes will be able to participate in. It's set to be great fun, and all children will get the chance to take home an Easter Egg or Easter Egg alternative. We are looking for Easter Egg donations for this, so please drop off any in the reception box for Friends of Fort Royal for school.

Don't forget to sign up to the Worcester Communities Lotteries for Friends of Fort Royal and not only be in with the chance of winning big but also supporting your PTA as you do.

We are always open to new members, suggestions, donations, offers of help etc, so don't hesitate to reach out. The easiest way is through the Facebook group.

Upcoming events:

„ 14th February – Wear What You Love Day

„ 4th April – Easter Disco

FORT ROYAL FLYER

EYFS

Class 1

This half term our topic is 'Toys'. So far the children have enjoyed sharing the story 'That's not my car' for literacy and have taken part in mark making activities and using tools linked to cars and trains.

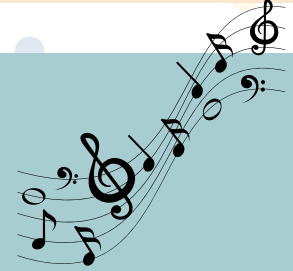

In communication and language, they have been making sounds whilst exploring the cars and trains and also responding to their name. For maths they have been exploring size using different size cars and trains. They have also been exploring the cars in the cheerio's.

FORT ROYAL FLYER

KS1

Class 7

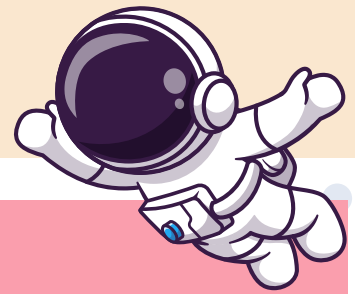

During the past two weeks class 7 have been busy exploring positions in maths and the relationship between objects, used ICT during literacy to make marks, and in topic we have explored cooking and music around the world, demonstrating preferences for products, materials and ingredients.

FORT ROYAL FLYER

LKS2

Class 16

We have been exploring space. Our story this term is Aliens Love Underpants. We enjoyed looking, listening and engaging with the story.

In Art we have created alien faces, painted planets and collaged underpants. In topic we have watched different space songs and stories. We have been creating planets and aliens using playdough. Children have continued to explore space by looking at light and dark.

The children have experienced this through the black out tent and torches and the light mat and more. The children experienced the temperature of space through ice galaxy activities. The children have worked really hard this term and have engaged well with number and phonics songs and activities.

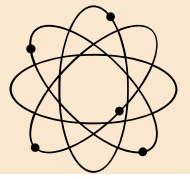

Amazing work class 16 keep it up.

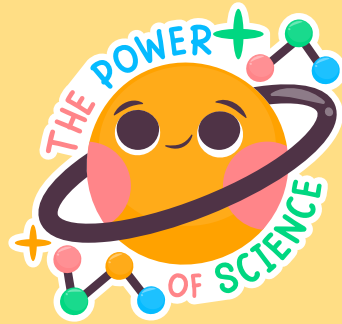

FORT ROYAL FLYER

UKS2

Class 24

We have been exploring different materials and their properties, including dissolving sieving and learning about evaporation.
