

Spring Term 2

Dear Parents/Carers,

We hope you had an enjoyable half term holiday. This term our topic is '**Pharaohs and Pyramids**'.

In Literacy the children will be exploring the text 'Temple Cat' by Andrew Clements. The focus will be 'Narrative: stories with historical settings'. The children will also be using Egyptian non-fiction texts to research the topic.

Maths will involve learning about shapes and problem solving. The children will continue to develop their number skills through songs, games, challenges and written tasks.

In Expressive Arts the children will be exploring Egyptian art and recreating Egyptian clothing and customs.

In Knowledge, Skills and Understanding of the World this term the children will be learning about Ancient Egypt developing their knowledge and understanding of world history.

PE and Outdoor Learning will continue as before.

How you can help...any cylindrical containers such as Pringles tubes will help with our expressive arts project to turn in to canopic jars. Any Egyptian artefacts you have at home or photos from a trip to Egypt, please share with us.

Many Thanks

LKS2 Team
