VISA

At Fort Royal Primary School, we use a cashless payment system called ParentPay, which you will be required to use to make online payments for school dinners, trips, breakfast club and school uniform. You will also be required to select your child's meal choices from the online menu provided.

You can use most major debit and credit cards including American Express. We can also arrange for you to pay from a local PayPoint machine, of which there are over 30,000 locations across the country.

If your child already attends the school and you have either not already received communication regarding your log in details or you need them to be re-sent, please contact finance@fortroyal.worcs.sch.uk for this information.

If your child is a new starter in September 2018, your log in details will follow shortly, after the autumn term begins.

If you would like any further information on ParentPay, log in details or payment options, please do not hesitate to contact the above email or the finance department on 01905 355525.

Best wishes

A handwritten signature in black ink, appearing to read "Ed Francis".
